

# COMMUNITY SERVICE SELF-EVALUATION

Complete the following evaluation neatly and in full sentences upon conclusion of your Community Service Project. Partial answers will result in *entire folder* being returned to student.

A) Please write about how the experience helped to make you a better Catholic.

**Give 3 examples:**

1)

2)

3)

B) Write about a specific experience you had while doing your service work that you think will help you in the future or throughout your life. ***Write why it helped you.***

C) Give your opinion of why a service experience is important. What were the benefits (or draw backs) interacting with adults and peers? How did you solve difficulties that occurred while working together? **Be specific.**
